9

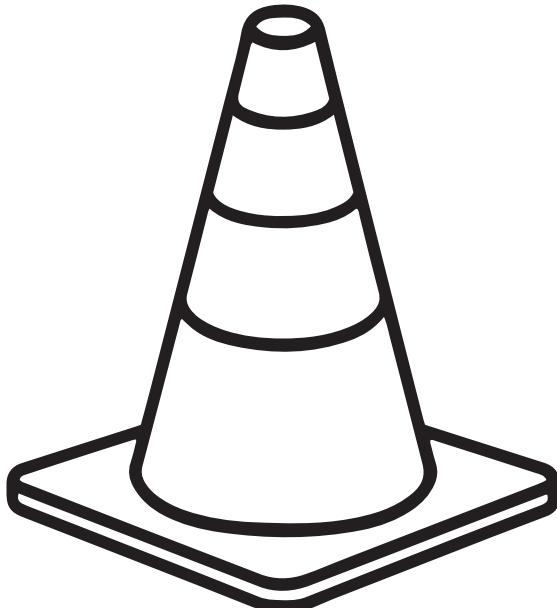

ACROSS

- 3. The extremely cold region at the top of the world.
- 4. Slide sideways on ice or snow.
- 7. Covered in tiny ice crystals.
- 9. Cool air that makes you reach for an extra layer.
- 10. Plant with red berries used in winter decorations.

DOWN

- 1. Small and cozy wooden house often found in the woods.
- 2. Cold air that moves strongly through the outdoors.
- 4. Raindrops that freeze into tiny ice pellets.
- 5. Thick and filled with warm padding.
- 6. Long piece of gear used to glide over snowy slopes.
- 8. White flakes falling from winter clouds.
- 9. Warm, soft, and comfortable feeling.
